LAUNCH POINT CDC, INC. A non-profit 501(c) 3 Education and Charitable community-based organization serving businesses, communities and underserved individuals in Houston, since 1993.

## LAUNCH POINT CDC, INC. (LPCDC)

is a tax deductible, 501© (3) non-profit organization since August of 1993. LPCDC is a community-based multi-purpose center providing adult training resources and youth development programs that are prevention oriented and structured to address the root cause of many health and socioeconomic problems. Launch Point’s mission is to implement economic development for families by providing high skill training for high wage jobs. Our goal is to bridge the gaps in services for those who are marginalized, overlooked and under-served in the Houston Harris County areas.

### ISSUES WE ADDRESS

Building Human Self-Sufficiency and supporting the betterment of mental health is the primary goal of the programs. Launch Point challenges its underserved participants & communities to accept and demonstrate self-responsibility, self-determination & self-reliance by engaging in Personal Skill Training, Viable Employment, Economics, Mind, Ability and Educational Development and Social Service Resources.

As a result, Launch Point has assisted 100’s of adults with training, job placement and resources enabling families to get off government assistance and become self-sufficient.

Launch Point provides families with programs such as: court ordered anger management, anti-gun, anti-theft, substance abuse prevention & counseling; High School and GED, as alternatives to risky behavior and opportunities to grow.
